0.5 lb (0.23 kg) with batteries
- **Dimensions:**  
1.9" x 6.3" x 1.4"  
(50 mm x 160 mm x 36 mm)

With advancements and the increased use of Bluetooth® wireless technology, Mastercool introduces its new compact hand-held digital vacuum gauge. Utilizing a state of the art glass beaded thermistor and temperature compensation, Mastercool is offering the latest technology to the HVAC/R technician.

Included in this package will be the capability to download our free Mastercool Connect app. This will allow for full mobility as activity will be easily viewed on all compatible hand-held smart devices.

### FEATURES:

- Sintered bronze inlet filter to protect the sensor
- 5 digit LCD screen features an ultra vibrant blue back-light allowing for easy readability
- Chemical resistant sensor for ease of cleaning
- Low battery icon displayed on the LCD indicates that the battery is low and needs to be replaced
- Calibration can be performed while in the field environment
- Bluetooth® wireless technology provides communication to hand held smart devices through the Mastercool Connect app

**98063-BT** Digital Vacuum Gauge with Bluetooth® Wireless Technology
