

Adventure - Built-in Refrigerators

EL65

Elite is the most innovative and beautiful line of compressor refrigerators, the ideal solution for built-in installations with a visible front.

Elite 65's intermediate size has an excellent capacity that fits well with standard international beverage and package sizes. Thanks to the adjustable shelves and the supplied accessories, the interior can be configured with great flexibility to make the most of the space. The perfect balance between load capacity and small footprint, with a touch of style offered by the stainless steel effect door with flush mounted handle.
