

Adventure - Built-in Refrigerators

EL130

Elite is the most innovative and beautiful line of compressor refrigerators, the ideal solution for built-in installations with a visible front.

The largest compressor refrigerator in the Elite line is the ultimate expression of Indel B technology for comfort while travelling and a touch of style to the motorhome interior. Large inside but compact outside, Elite 130 is designed to give you top flexibility in the refrigeration storage capacity, thanks to adjustable shelves, to hold bottles of up to 1.5 litres both on the rack and inside, and to store fruits and vegetables in the dedicated removable drawer.
